

Installs Vertical & Cold

Fork Lift Verti-Clad **[400kg]**

The Fork Lift Verti-Clad is a fork lift and telehandler attachment designed to install vertical wall or coldstore panels up to 14 metres long.

The Verti-Clad lifts panels from their horizontal stack and allows you to rotate them manually into vertical mounting position, resulting in a smoother and faster installation.

The Verti-Clad comes with a 400kg capacity, 90° manual head slew left/right and manual 90° rotation left/right. Suitable for composite, coldstore, insulated and mineral fibre panels.

Key Features

- Capacity: 400kg
- Suitable for vertical wall or coldstore panels up to 14m
- Dual circuit vacuum system with vacuum gauge, reserve tank and non-return valve for each circuit
- 90° manual head slew left and right
- 90° manual rotation left and right
- 2 x 12v (24v) batteries with 110/240v external charger system
- Audio-visual low vacuum warning
- Cable remote control as standard
- Suitable for forks 160mm (w) x 70mm (h)

Reference Code

VCL06

Technical Specifications

Safe working load	capacity:	400kg*
Number of suction cups	cups:	8 or 12
Maximum panel length	horizontal:	n/a
	vertical:	14 metres*
	roof:	n/a
	ceiling:	n/a
Suction cup	description:	closed cell foam seal, round pads Ø 250mm, oval pads 100mm x 320mm
Suitable for lifting	materials:	composite sandwich panels, (PUR, EPS, mineral wool). other materials possible, subject to testing. airtight, non-porous and not covered by protective film.
Weight of lifter	approx:	450kg
Rotation	rotation:	90° manual left & right
Slew	slew:	90° manual left & right
Vacuum system	dual circuit:	1 pump, 2 vacuum reserve tanks
Voltage	pump:	2 x 12v (24v) DC from rechargeable batteries
	battery charger:	110v/240v external charger system
Standard accessories	standard:	securing chains, cable remote control (on retractable drum with 12m cord), green "safe to lift" light, external charger
Optional accessories	optional:	secondary safety straps, radio remote control, round or oval pads

* depending on type and number of pads
